The programme started with a welcome note by Ms.Jikku Kurian, Assistant Professor, MBA Department. She introduced the Resource Person Dr. Saritha Kakani, Consultant Diabetologist from Andhra Hospitals, Vijayawada to the gathering.

Dr. Saritha Kakani, Consultant Diabetologist from Andhra Hospitals, Vijayawada, Resource person has spoken about the rise in diabetes around the globe is one of the greatest health catastrophes the world has seen. Rates have soared over recent decades with 380 million people now affected by the condition, which causes heart disease, stroke, amputations, kidney failure, blindness and premature death.

The global epidemic, fueled by increasing urbanization and the spread of Western lifestyles, is imposing an immense burden on health systems and national economies. At present rates of growth, one in ten of the world's adult population – 600 million people – will suffer from diabetes in 20 years.

The session was an eye-opener to many a participants who were eager to know about the metabolic disorder, Diabetes which still doesn't have any cure.

The participants with cheer and vigor welcomed the session.

The participants were given insight on the life style changes required to keep Diabetes at bay. The resource person was well learned to answer various queries posed by the participants.

Finally felicitation was done by Dr. S.V.N.L Lalitha, Convener, KLU Womens Forum and M. Lakshmi Prasanna Joint Registrar.

Pro-activeness of KLU Women's Forum was well appreciated by the participants.
